“Yah’s Civilization Restored”

Memorial Passover (Pasach HaZecron) is the time in which we give a National Offering; the Feast of Weeks (Shavuote) we give a Personal Offering; and, at the Feast of the Ingathering/the Feast of Booths (Succoth) we give the Family Offering.

The national offering for the season of Memorial Passover 2007 – 2008 required that the Prophetic Priesthood, in groups of two, visit every home wherein resides a Nefesh Kiyah, to teach *“The Bonding of the New Covenant”* to restore honor, glory and the beauty of Yah (Yah’s Laws). Thereafter, everyone should have an understanding of ‘being bonded’.

When you hear the phrase: “To be bound by law(s),” due to former influences, it gives one the impression that it is an uncomfortable and restrictive state of existence. If we do not cast down the old understandings and influences we will miss the message of being governed by Divine laws.

First, let it be absolutely understood that we were not haphazardly created. There is an order (laws/forces) that was established in your soul (your inward parts) as you were being created by Yah. You were not created to/cannot experience life contrary to these laws. This body

was ordained to function in harmony with cycles and laws. In other words, we are all calibrated. The Creator fashioned and formed everything according to a specific calibration.

Our soul has been calibrated to properly respond to set times, cycles and seasons along with the other elements of Yah's creation. The adversaries of Yah have reordered these cycles and disrupted the calibration! They have reordered when the day begins and ends, when seasons begin and end, when/what foods should be consumed. They have even changed the Divine cycles of the offerings. Things are not as they were created in the Genesis and this transgression has caused the world to be thrust into a cycle of uproar and unrest. We, in the Kingdom Age, had to return to Yah and be bonded, reconciled and recalibrated according to the Genesis idea.

*So God created man in his own image, in the image of God created he him; male and female created he them.
And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.*

Genesis 1:27-28

The Creator fashioned us in a specific image for a specific purpose, instructing us to***Be fruitful, and multiply.*** This takes us back to the significance of *language*. **Culture** is observable worship and our ascension would be tied to this observable worship. We can only be elevated by way of our culture.

The word "culture" in Hebrew is: לתרבות pronounced: 'leh-tar-bayt'. It also means: to be "fruitful" – to culturally impact; and, to cultivate. How were we to be fruitful and multiply? By cultural cultivation! How would we have a tangible expression? What is it that we would plant? What would be the yield? It would be through the planting of the Sacred seeds of Divine culture that we would yield observable worship to Yah Yisrael. Remembering that there are two seeds, two opposing forces on this planet means that there are also two cultures, the Holy

and the profane. Satan realizing that culture is the way of our ascension needed a contrasting culture to prevent our rise.

In this season through observable worship/culture we are able to discern which god is being worshipped and the difference between the holy and the profane. Culture will exalt us or cause us to go into degeneracy. The Hebrew word לתרבות (leh-tar-bayt) also means: ‘to civilize’!

You have undoubtedly heard the phrase: ‘they are uncivilized’, although the people being referred to have existed and survived on this planet for thousands of years. What is meant is that they are uncivilized according to the tenets of a specific culture. Satan would change your perception of culture and cause you to behave as though you were uncivilized. Look at the present norms of behavior of the people on this planet. Observable ‘uncivilized’ behavior! Only under Yah’s culture are you civilized. To be civil means: to know how to behave, talk and present yourself in specific public places. In other words, your “civilization” would bring forth a particular behavior. If you see someone outside dressed in their underwear (under the perception that it is a ‘bikini’) – that is uncivilized behavior!

The Hebrew word רבו (‘ree-voov’) means: ‘to increase’. In addition, it means to expand culturally. All of these words share the Hebraic thought of to be fruitful, to cultivate a culture, to propagate and culturally impact upon. To be fruitful was not just increasing our numbers (population), but to be fruitful/cultivate culture, to cultivate civilized behavior, a civilized expression of life. Unless one publicly conducts himself with civil behavior they are classified as “uncivilized”.

Those who have been sanctified by Yah’s culture are *to be fruitful and multiply*, ‘to increase’ this cultural influence over all the planet. You are to propagate Yah’s civilization (civil behavior). Going further, not only are we to be fruitful and multiply our numbers, we were also to have **cultural** dominion!

There is something within culture that is calibrated to our being created, fashioned and formed in the image of Yah. Culture is therefore tied to the restoration of our dominion. Yah warned us not to be like/in the

image of ungodly nations. There is something in their behavior, in their cultural expression that is tied to degeneracy. If you express the cultural behavior of that civilization there will be no restoration, no regeneration of our dominion.

How did we, literally, fight against the Creator? We became the expression of that which does not reflect Him, we descended into a cultural abyss. We adapted to the unholy cultures around us and they changed our behavior and alienated us from Yah. We must understand the fullness of what bonding with the new covenant means. There is no way to avoid culture in worship!

You must increase this Divine behavior and influence. Yah has tied our ascension to our expressions of culture that reflects His presence. The more love we exhibit for our culture the more we guarantee our rise, and at the same time guarantee the demise of the cultural degeneracy of ungodly nations. There is a civilized/cultured manner to talk, walk, dress, eat, sing – in every aspect of civilization there is a manner that makes it clear what god you worship. The Genesis idea of culture is eternally connected to the Creator – life and living.

Degenerate culture has infected the masses on this planet and they are observably uncivilized! They do not ‘see’ themselves because satan has altered their perception. So when you convey to them: ‘You need a healthy diet’, ‘You cannot wear that’, ‘You should not say that’, etc. and speak to them about Law they are wired to resist, thinking they are going to be uncomfortably restricted. But, Law is your reminder that you have been calibrated to behave in a civilized manner!

If you desire to experience life you must behave according to the Laws of the true and living Yah (Yah Chai!). Bonding is not restrictive at all. Your body, soul and mind are calibrated to absorb the living energy of ordained cycles, seasons and set times, Yah’s civilized and civilizing order. Seek ye the Kingdom of Yah, first, and all other things shall be added.

Happy is the man that findeth wisdom, and the man that getteth understanding.

For the merchandise of it is better than the merchandise of silver,

and the gain thereof than fine gold.

She is more precious than rubies: and all the things thou can desire are not to be compared unto her.

Length of days is in her right hand; and in her left hand riches and honour.

Proverbs 3:13-16

In the aforementioned scriptural reference you find the Sacred seed that will yield the Genesis idea of happiness, ostensibly it is not a new car, a credit card increase or a better paying job. The wisdom of Yah, of His Kingdom, understanding the impact of its Divine Law is more valuable and will yield more substance for you than gold, rubies or diamonds. This knowledge is far more precious than estranging material wealth. In addition take note that, with this knowledge will come **length of days, acceptable riches and honor!**

You may have what is defined as riches in the present world but it cannot buy you happiness, genuine health or honor. Without the proper order in your life you will never be happy, nor enjoy true life and have Yah's honor. But if you attain Yah's precious wisdom, not only will you find happiness, you will also be on the path to eternal life and enjoy societal wealth with honor! Only with Yah's wisdom will you even know what to do with the earth's diamonds, rubies, gold and other minerals.

To understand life, you first have to understand the requirements of life. Only after you have received and applied the above-mentioned wisdom will you understand the value of the environment it will spawn and, subsequently, how to utilize and appreciate the earth's wealth. There are riches with honor and there are riches with dishonor! True wealth is calibrated to the bonding to and protection of the earth.

There are many people in the world who are mentally sick and have afflicted the earth – they have riches without honor! They conquer, they do not know honor or respect. When Africa lost her Yah-wisdom, she also lost her honor. Africa has plenty of gold, diamonds, rubies and

is mineral-rich more than any other Continent on this planet, yet Africa is the poorest of all nations. She has riches with no honor. Everyone takes her wealth but no one can bring her honor. Africa can never be restored until she again possesses and applies the wisdom and understanding of the Genesis creation. Only then can her riches be restored with honor.

What is it that we now have of value? We have calculated the value of a Yah-Brotherhood, Sisterhood, man, woman, children and family. We value the discipline and understanding of the eternal need to study. They gave us lie-centered 'education' and we have the precious Truth-restored 'dedication'.

Power is submerged into our culture. The more we joyfully express our culture the more power and strength we will gain. What else can make us strong? Where else can we draw our strength? It is this wisdom, this civilized behavior that will restore Yah's dominion. There was a time when we made gods of stone having carved them meticulously. We moved them from place to place with us. We did not even have sense to realize that those gods could do nothing, they could not even move themselves. We lost our sense, we lost wisdom!

You are the Yah Chai generation that understands the wealth and value of the Kingdom. You, therefore, will understand and have the wisdom to know what to do with the material wealth which is to come with Yah's promise. You understand the wisdom and value of the High, Holy and Sacred Diet, our cultural dress for beauty and the glory of Yah. You are not dressed in sackcloth! Yah said that He would dress you in garments of praise and salvation.

We will get the diamonds, gold and rubies but they are not what will make us happy! We understand, first, the requirements of life. Yah's culture is calibrated to manifest the environment essential for a Yah-civilization. We will never be without a Brotherhood or a Sisterhood. The root of our happiness is not an inanimate object. We have a sacred happiness . Our happiness is not a bank account. How can you be happy with bars on your windows, alarms on your house and car, and continuous fear with nowhere to go and feel safe.

Without a doubt we are going to have all of those minerals in abundance but they are not to be the source of our happiness. We are now looking upon our fourth generation born in the Holy Land under the influence of: ***Length of days*** (without sickness or disease) ***is in her right hand; and in her left hand riches and honour***. We are not going to be paupers under any circumstances.

The Lord shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: and thou shalt lend unto many nations, and thou shalt not borrow.

Deuteronomy 28:12

We have platinum values, golden rules and instructions, diamond laws; a precious diet and a heavenly culture! We have become our brothers' and sisters' keeper. Now, we must be fruitful and increase, sharing this earthly paradise with others.

Bonding with the new covenant is being bonded with all who have dedicated themselves and are dedicating their children into the service of the Kingdom and restoration of the Yah-civilization.

“The Journey of a Soul”

The writer of the Book of Revelations refers to a vision wherein was seen symbols of the social systems that would come through the ages and what would come upon the Hebrews in our generation. Looking upon the present social systems, we must ask ourselves: ‘What has yielded this fruit?’

The social system that he saw became so corrupt and defiled that the Creator conveyed to us that in order to realize salvation we must come out of it. This is the yield of a seed! And, wherever this seed is planted it will have the same impact and effect, producing a similar yield.

Everyday we observe the social order the Scribe refers to as ‘Babylon’ which has come down through the ages to its ‘last days’. The writer saw the yield of this form of government... *‘the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird’*. If you are not cognizant of the seed that yielded this you are susceptible to planting the same seed.

Leaders can change from election to election, they can be tall, short, wealthy or smart, but if they plant the same seed they will get the same man, woman, children and society which has crossed over boundaries to the ends of the earth. We bear witness that the following, in fact, has occurred.

The earth mourneth and fadeth away, the world languisheth and fadeth away, the haughty people of the earth do languish.

The earth also is defiled under the inhabitants thereof; because they have transgressed the laws, changed the ordinance, broken the everlasting covenant.

Therefore hath the curse devoured the earth, and they that dwell therein are desolate: therefore the inhabitants of the earth are burned, and few men left.

Isaiah 24:4-6

Isaiah the Prophet was catapulted into the future by the Holy Spirit and described the same period of time as John, but was more specific in scribing what he saw.

In these, the ‘last days’ (end-times) we find there is hardly any potable water left on the earth, nor pure air or soil yielding life-sustaining nutrients. Species after species as well as the Genesis family order are fading away right before our eyes. The entire earth has been defiled by a demented mind that has planted the seed of corruption, destruction and evil. The rivers, streams, lakes, ozone and food under the control/dominion of a demented mindset have all been poisoned.

Obviously, Yah has shown us the yield of these seeds the result of the transgressions of His laws (Law of Relativity) so that we not make the same mistakes. There are rules which have been broken and as a result the earth is mourning. What is this seed? All the inhabitants of the earth have been cursed under its dominion. This brings us back to the two seeds.

*And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing:
And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.*

For all the land which thou seest, to thee will I give it, and to

thy seed for ever.

And God said, Sarah thy wife shall bear thee a son indeed; and thou shalt call his name Isaac: and I will establish my covenant with him for an everlasting covenant, and with his seed after him.

Genesis 12:2-3; 13:15;17:19

Yah proclaimed to Abraham: '***In thee*** (thy seed) ***shall all families of the earth be blessed***'. Therefore, in the opposing seed shall all the families be cursed. The changing of the ordinances of the Most high has caused the earth to be cursed and all of this is occurring right before our eyes. In different lands you have leaders that may be brown, yellow, black; you may even have female leaders but they are all sowing the same seed be it in Jamaica, Barbados, Poland, Shanghai or Korea – the entire earth is under the curse of an idea which cannot be alleviated with economic development or politics. The resulting curses will only be alleviated with another seed/idea. This Babylon (seed), in these last days, is the abomination (idea) that desolates!

But when ye shall see the abomination of desolation, spoken of by Daniel the prophet, in those days shall be affliction, such as was not from the beginning of the creation which God created unto this time, neither shall be.

And except that the Lord had shortened those days, no flesh should be saved: but for the elect's sake, whom he hath chosen, he hath shortened the days.

Mark 13:14; 19-20

At this time the earth has become a giant furnace (hell), an abomination. The inhabitants have crossed over from the original intent of the Creator and have gone beyond the boundaries and tenets ascribed by Yah.

As a result, the earth's inhabitants have been changed in composition and power is concentrated in the hands of those who seek to destroy.

We were not supposed to destroy the water! We definitely were not

supposed to artificially change the DNA structure of things. The Creator of heaven and earth prescribed how we were to utilize the creations. Our soul was/has to be in harmony with Him. The adversaries of Yah have abused power and wantonly plundered the earth for the benefit of a few. If they find oil in someone's back yard he defines it to belong to the homeowner. How can that be? The earth and all things therein belong to Yah and its inhabitants. That eternal idea has become annulled. Truth has been evicted and made homeless.

Lies are so proliferate, annulling the eternal idea of the Genesis creation. No one was supposed to get sick! You are not supposed to be unhappy. There should be no barren women. These things have happened as a result of something. We are supposed to be protecting the land, lakes, streams and rivers and they would reciprocate by protecting our well-being.

We, in our generations, are beholding the fulfillment of the prophecies of Isaiah; the proliferation of the seed of destruction influencing government by the spirit of err all over the planet. Only in the planting of the sacred seed will the curses be removed and the nations blessed.

And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

Revelation 12:9

We can see the deceptive seed/idea at work: riches with no honor; what they call 'progress' is technological insanity; the deterioration of family structure; the extinction of the Genesis image of men and women and the creation of demonic children. David said that deception would reach such a magnitude by it being spread over the earth by way of institutions:

They know not, neither will they understand; they walk on in darkness: all the foundations (institutions) of the earth are out of course.

Psalms 12:9

For the land is full of adulterers; for because of swearing the land mourneth; the pleasant places of the wilderness are dried up, and their course is evil, and their force is not right.

Jeremiah 23:10

These institutions rewire the brain to make the wrong choices and decisions. There is something wrong with the minds of the teachers whose instructions have produced the fruit described in the Book of Revelation.

Why is this happening? You continue to sow the same seed, yet expect a different yield/result. For example, they have been eating swine for thousands of years but still ask why do they have diseases directly related to eating swine. They even go further and have pig's organs transplanted into their bodies.

Their institutions have given them the perception of deception, an impression that they are intelligent, but they have only been made wise to do evil, but to do good they have no knowledge.

And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

Revelation 18:2

We have come out of her, not by just leaving Babylon physically, but also by not being advocates of that idea! You must leave that idea behind and cease cultivating that seed. Our coming forth to establish the Kingdom of Yah means that a new idea/seed is yielding new motion.

For us 'to come out' was not to just be relocated. There also had to be a new direction. Yah did not resuscitate us to just put our bodies into motion (the flesh profiteth nothing!). We were resuscitated to plant the seeds of the new idea in order to restore and reconcile the human family back to Yah and harmony with His creations.

The earth mourneth and waiteth to be delivered. *For the earnest expectation of the creation waiteth for the manifestation of the sons of God.* (Romans 8:19) There is acid rain! How do you defile the rain? Their institutions have produced an evil genius!

We cannot be partakers of that idea. The new idea would have to have a new address, that address is the Kingdom of Yah.

And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever.

Daniel 2:44

We were resuscitated to put a new idea into motion. We are on a journey, the complete regeneration of a soul. We must stay aligned with the Genesis idea in order to be re-calibrated. If you break that alignment you become retarded for it arrests your development. You, thereafter, wither away becoming transformed again and transient.

Ours has never been a 'Back-to-Africa Movement,' all of which being transient have withered away not understanding that they never crossed back over. We have all of the pieces liken unto a 5,000-piece puzzle and we know how to put it together! It is a challenge and we will not assemble it overnight, but we will! We will complete the journey; a complete restoration of the soul according to the Genesis rules of regeneration.

That is why we have this sacred season of the personal offering that will bring us closer to Yah convincing him that we shall not fear evil nor be discouraged from fulfilling His will. This challenge will not have to be turned over to another people. We shall affirm that we are the generation chosen to put the whole puzzle together! Imagine the joy as you assemble the first pieces and imagine the joy when you have only the last few pieces to put into place. Yah instructed us not to bring the old idea. We cannot put new wine into old bottles, or new cloth on an old garment. What would we bring for the new idea – the coming of Yah's Kingdom in Jerusalem.

And it shall come to pass in the last days, that the mountain of the Lord's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it.

And many people shall go and say, Come ye, and let us go up to the mountain of the Lord, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word of the Lord from Jerusalem.

Isaiah 2:2-3

Nations would begin to journey up to be taught the tenets of this new idea and how to apply them. Jerusalem would become the distribution center for sacred seeds, that if cultivated, would bring them back within the boundaries of life and living.

We have restored the statutes and ordinances of Yah and have married the Genesis idea. The seeds yielded from this marriage are genetically correct and able to nourish and resuscitate the earth.

He shall cause them that come of Jacob to take root: Israel shall blossom and bud, and fill the face of the world with fruit.

Isaiah 27:6

The promise is in that seed! Israel, a people, will take root and blossom and bud and fill the face of this world with fruit. This idea/fruit will nourish the inhabitants of the earth. The Highway of the Seed (Ref.: *The Highway of the Seed* by Taahmenyah baht Shaleak – Genesis 3:15 f.1) will be journeyed upon again.

Kahg Shavuote – just think of the significance of us breaking bread together. Remember, this is the journey of a soul. It thrives on the nourishment of your laughter, your joy, your smile and Holy environment. We look forward to the Dance for the Land! Everyone must make their contribution whether by preparing a dish or just

bringing a smile. All of these seasons come with a blessing. What is required of us on this day is to rejoice and express words that share our joy and happiness.

What an offering – to be commanded by Yah Yisrael to be joyful! This offering will bring us closer together. None of it is vanity. All of these things are food for the soul.

Who is among you that feareth the Lord, that obeyeth the voice of his servant, that walketh in darkness, and hath no light? let him trust in the name of the Lord, and stay upon his God.

Behold, all ye that kindle a fire, that compass yourselves about with sparks: walk in the light of your fire, and in the sparks that ye have kindled. This shall ye have of mine hand; ye shall lie down in sorrow.

Isaiah 50:10-11

Who among you is ignorant, a fool or walks in darkness? There are none liken unto you on this planet. Not one individual who has come through our institutions has come out behaving uncivilized. Trust and hold the alignment! We are restoring everything. We have made a quantum leap!

What is required of us in this season? We must be where we are required, doing what is required of us in order to receive the blessings.

May Yah Yisrael bless thee and keep thee, lift up His countenance upon thee, be gracious unto thee and give thee peace and an eternal place in His eternal Kingdom.

Yah' Civilization Restored and *Journey of a Soul* represents two highly significant presentations given by Ben Ammi during Holy Day Seasons of the *Counting of the Omer* and *Shavuote*, respectively.

In *Yah's Civilization Restored*, he expresses the importance of understanding the fullness of bonding with Yah's new covenant. Thereafter, he challenges those desirous of experiencing life to behave according to the laws stipulated in the agreement.

Journey of a Soul is a journey to manifest the complete regeneration of a soul by staying aligned with the *Genesis Idea* in order to be recalibrated in Truth.

These classes are being offered at no cost to the reader as an inspiration and challenge to make what Ben Ammi calls ...*A Choice of a Lifetime*.
